In connection with the above identified application which was received in the U.S. Patent and Trademark Office on February 15, 2001, it is noted the Declaration only included the signature of one of the co-inventors, i.e., Denny Jaeger, which was submitted with the application. The second page of the Declaration lists the other two inventors, namely Robert Duffy and Daniel Shaw.

It is requested that this second page of the Declaration in which the second and third co-inventors are listed be incorporated with the documents in this case.

Respectfully submitted,
